

Patti LoftTM *"Because You Need the Best"*

Here is a golden opportunity to obtain a proven colony of birds from a winning loft that has done all of the breeding work for you. Our birds are based on 1972 De Scheemaecker/Werink Janssens. Additional record birds have been blended to get us to where we are today. (Janssen Bros./Werink, Emiel Denys, L. Krvyt, W. Wulfmeyer, Joe Hendriks, Mencke-Haelterman, Etc.)

Over the years we have won numerous N.J. Concourse Races with 2500-4000 birds, Central Jersey Combine, M.R.C., P.A. and B.S.C. Races. We have enjoyed great success in many Band, Bond, Futurity and One Bird Derby Races. This colony continues to win for many of our friends throughout the USA. In addition, our Janssens founded lofts in Puerto Rico, through Agent Luis E. Baez. Seventeen of our colony were sold to Manny Maritz of Epping Cape So Africa to aid him in developing his Black Eagle Family.

Patti Loft Birds have been successful in the Netherland Antilles, Trinidad, from Maine to Florida and New Jersey to Texas and California.

Don't miss this opportunity to obtain birds that can do it all! Our record speaks volumes.
